Active Status

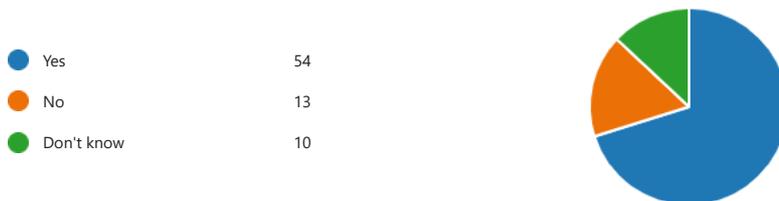

1. This information is being collected by Warborough and Shillingford Emergency Planning Group to evaluate the risk that flooding poses to our community and to see how parishoners feel about possible steps being considered to reduce the risk of flooding.
Questions with a red asterisk at the end of them are mandatory. Unless you select one option, you wont be able to proceed.
The data we collect is anonymous & confidential. It will not be used for any other purpose or passed to third parties. Do you consent to us collecting and using your data for these purposes?

2. Do you live in Shillingford or Warborough?

3. Do you consider flooding to be a risk to you and your property?

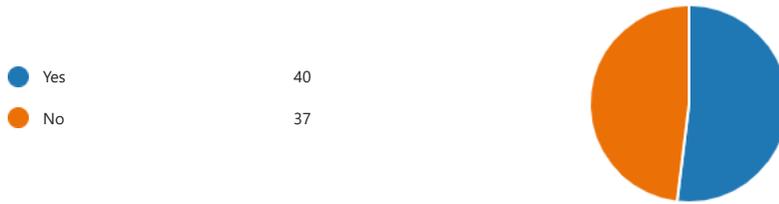

4. OPTIONAL QUESTION

If you have answer yes or don't know to the question above, what type of flooding do you consider to be a risk to you and your property?
Tick all that apply

5. Have you or your property been affected by flooding in the Parish boundary?

6. On a scale of 1-5, with 1 being "not at all," and 5 being "Very badly" how were you or your property impacted by the flooding in the Parish in January and February this year?
